

## Liberty Youth Ministries Registration Process

1. Your church or organization will first need to fill out our group contact form. This will allow us to contact you and complete your registration.
2. By January 31 your group will reserve campers spots and put down a 10% deposit (\$25 per camper)
3. After you have reserved your spot at Liberty Youth Camp, we will create a page on our website specifically for your group. This page will have basic information about LYC and create a one-stop-shop for parents to sign-up and prepare for camp.
4. If you plan to send adults to serve as staff at camp, they will register on our website by January 31
5. In mid-March camper registration will open and you can send families to your webpage to sign-up for camp. You will manage how many spots you have left, what forms and payments have been submitted.
6. Once registration closes you will submit payment to LYM.
7. You will be in charge of planning how your campers arrive at camp. If there are multiple groups traveling from the same area, we can help coordinate buses.

If you have any questions or concerns regarding LYM or registration please feel free to contact us!
